## **The Essential Guide for Mutts: Tips On Training Your Human**

We know everything about everything useless, ephemeral and cripplingbut, of what we really need for a man, we wander like shadows in total darkness.

### **Punishment**

The worldwide trade in illegally sourced timber, which is increasingly centred on China, is worth billions of dollars. My uncle got me started at it because he thinks it develops the brain.

### **Food: the key concepts**

After the ephemeral triumph celebrated with the collapse of socialism in Eastern Europe, the democratic model has been shuddered in the last decades by a series of tensions: the decline of political participation and traditional parties; the growing lack of confidence among citizens in public institutions and in the functioning of the political system; the impotence of political leadership in front of recurrent economic crisis and public budgets deterioration; the apparent inability for policy makers to resist to the capturing influence of strongest economic and financial interests; the spiraling costs of political activity; the rise of populist or extremist parties and leaders openly questioning liberal-democratic values; the questioned sustainability of the welfare state.
