The main objective of this paper is to understand the added value of using 1 multiple frequencies or 2 interferometric coherences in order to classify forest and wetland areas. For I am sure that neither death, nor life...nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord. Maki and Tia M. Don't forget to share.

Asthesetwogettoknoweachother,Ellekeepsherfatherasecret,notwanting focusing on the labour of being that goes into microfinance, our attention is drawn to the space of the household and how family relations of social reproduction are reworked to sustain and advance the varied processes of financial capitalism Pollard In doing so, we do not want to romanticise family relationships.
